Zalo OA Integration

"I appreciate the dedication and professionalism of the S4 team. Even though the factory project faced many challenges, the team stayed proactive, provided close support, and worked with us as part of our own internal team."

Mr. Tommy
CEO, Actlife Technology

FEATURED TECHNOLOGY PARTNERS

● FAST, COST-SAVING METHODOLOGY

Thorough Preparation - Dedicated Implementation.

S4's approach reduces business risk, shortens timelines, and controls go-live costs.

3-STEP PROCESS

01

Deep discovery backed by real experience

Identify process gaps and overlooked edge cases early.

02

Data standardization from week one

Standardize inventory, receivables/payables, and master data from the start.

03

Go-live simulation with real scenarios

Rehearse launch-day scenarios to reduce risk before cutover.

CORE VALUES

VAS/IFRS Advisory

ACCA-certified experts support finance and accounting standardization.

Gold Partner · 31+ Acumatica Certifications

An experienced consulting team officially recognized by Acumatica.

System Integration Experts

Proven experience with complex integrations, low-code/no-code platforms, and data reconciliation.

IMPLEMENTATION SCOPE

Finance & Accounting

Raw Material Inventory Management

F&B Cost Control

PROJECT HIGHLIGHTS

- Tighter, real-time control over raw material costs
- An easier-to-use system for day-to-day staff operations
- Better-controlled operating costs by leveraging Acumatica's licensing advantage

"S4 Consulting truly understands the F&B industry. Their practical advice helped us make better use of our existing system. We now have tighter control over raw material costs, an easier-to-use system, and better-controlled operating expenses."

Ms. Hieu Tran
COO, An Nhien Cafe
